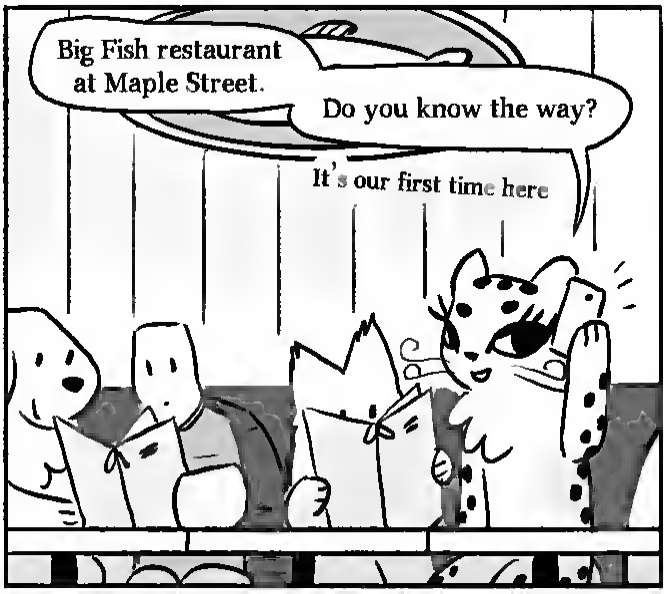
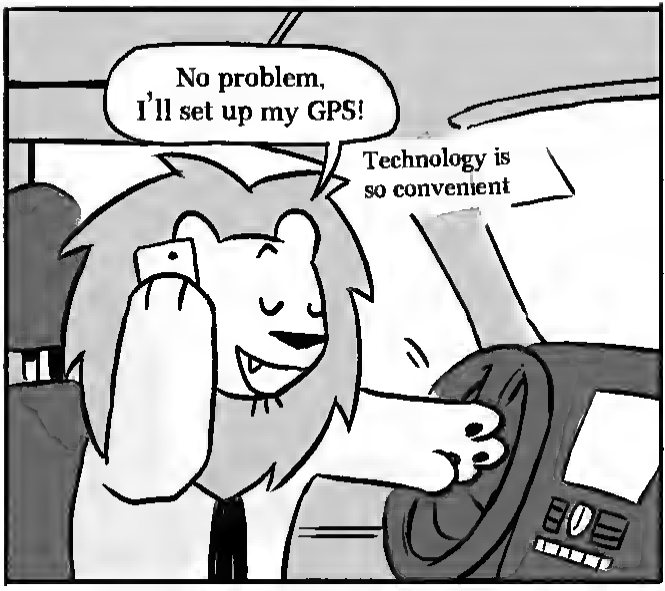
ROAR STREET JOURNAL

The in Convenient GPS

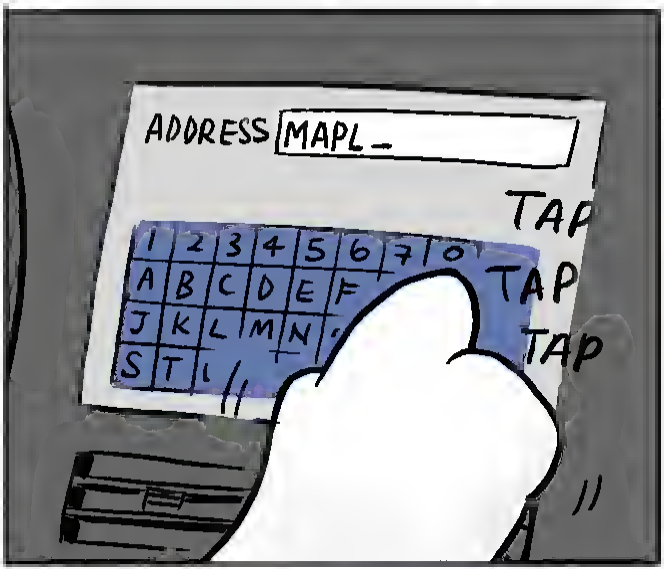
Hey Cheetah-B, I just finished meeting with our new client!
Where's our celebration dinner at?



Big Fish restaurant at Maple Street.
Do you know the way?
It's our first time here



No problem, I'll set up my GPS!
Technology is so convenient



Okay, see you there.

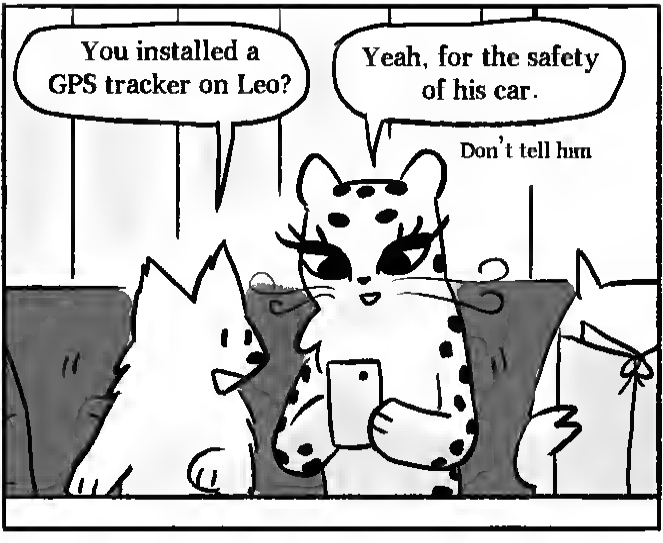
That's a pretty long drive... why did Cheetah-B pick such a far place for dinner?

Where is Leo?
I'm hungry!
He should arrive soon, it's a short drive here.
I'll give him a call.

Time to destination : 10 mins
RINNNG!

I know I know,
I'll be there soon!
RINNNG

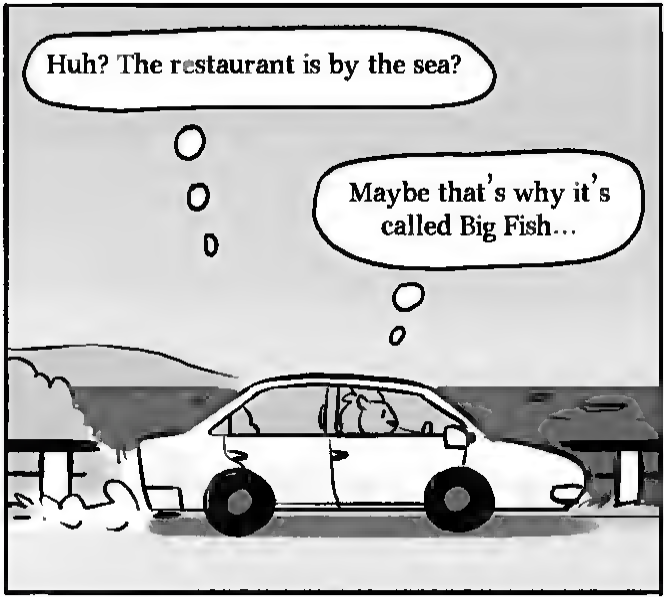
He's not picking up the phone.
Let's check where he's at.
GPS TRAC



You installed a GPS tracker on Leo?
Yeah, for the safety of his car.
Don't tell him

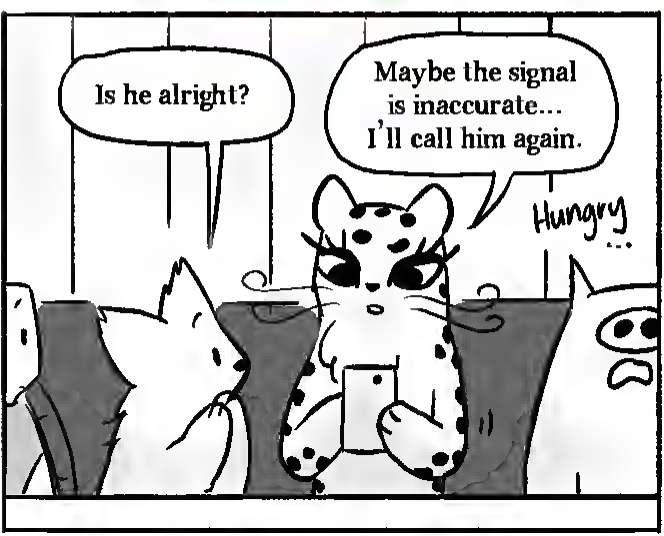
Let's see...

Huh? He's going in the opposite direction?
LEO



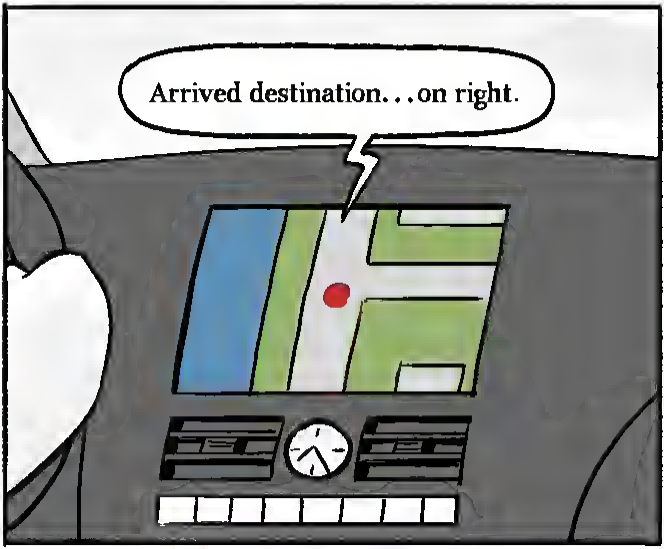
Huh? The restaurant is by the sea?
Maybe that's why it's called Big Fish...

Oh no, Leo dropped into the sea!
LEO



Is he alright?
Maybe the signal is inaccurate... I'll call him again.
Hungry...

I'm arriving soon, stop calling me!
RINNNG



Arrived destination...on right.

RINNNNNGGG!

Yes?
Leo, we are at Maple Street! Where did you go?!
Of course I went to Maple S...

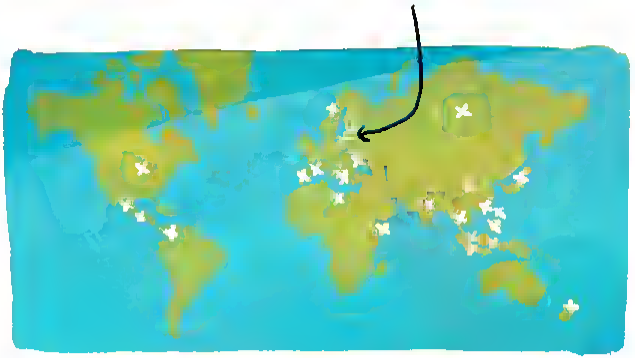
Animals Around The World #26

choco_nana

I'm from Thailand but I've been living in Germany for 10 years now and the national animal here is the Eagle. Thx for your work as always <3



The black eagle is the emblem of the Federal Republic of Germany. For a long time, the eagle is a symbol of the sun, supreme deity and vitality.
